

# Our team

The Sedgwick agriculture team utilise its experience and knowledge to deliver reliable and quick solutions for farming and rural industry losses.

Our adjusters understand the special requirements of agricultural losses that differentiate them from other claims and we work with all stakeholders to establish trust and deliver appropriate outcomes simply and promptly.

Dave Walker

Executive Adjuster/
Charted Loss Adjuster

ACII, FCILA (UK),
FUEDI-ELAE

Dave has more than 30 years loss adjusting experience and has been an integral part of the major and complex loss division in the UK for the majority of his career.

Dave has always been an operational adjuster at heart, utilising his agricultural experience when handling rural and food industry losses.

Dave has been instrumental in handling losses involving; commercial grain drying and storage facilities, animal feedstuffs, seed failure, fire damage to chicken hatcheries and grain contamination.

### Significant Losses:

- US\$26M fire in hatchery producing 125,000 day old chicks per day
- US\$1.95M flooding to poultry units
- US\$1.125M liability claim involving defective silage wrap

**Stephen Hardy** *Financial Loss Adjuster*BCom

Stephen has worked as a specialist business interruption loss adjuster since joining Sedgwick in 2011.

During this time, Stephen has gained an extensive knowledge of claims involving dairy farms and other agricultural enterprises. Stephen has been involved with several large and complex dairy farm interruption claims (>\$300K), predominantly for loss of milk production following an earthquake, fire or flood.
